

"I Found Love"

Performed by BeBe Winans
From the BeBe and CeCe album "Still"

When I found you...I found somebody who cares
When I found you...Found my most intimate prayer
When I found you...I found what every heart dreams of
When I found you...I found love

When I found you...I found the rest of my life
When I found you...I told all others good-bye
When I found you...I saw my fears fly away like a dove
When I found you...I found love

I know true love sounds crazy (sounds crazy)
But worth waiting for
You are the one, my only (my only)
Forever more

When I found you...I found my fate in your arms
When I found you...I found no cause for alarm
When I found you...I knew this love was a gift from above
When I found you...I found love

I know true love sounds crazy (sounds crazy)
But worth waiting for
You are the one, my only (my only)
Forever more

When I found you...I found the Skylark with style
When I found you...Found one more reason to smile
When I found you...I knew I finally found enough
When I found you...I found love (3X)

I found Love (2X)
